

New Source Review newspaper advertisements for construction permit applications, July 26, 2018. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be published on one of the following dates: July 25 – 26, 2018. Public notices are generally published every week. The previous publication of public notices was July 19, 2018.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Tennessee Valley Authority-Bull Run Fossil Plant with a mailing address of 1265 Edgemoor Road, Clinton, TN 37716-6270. They seek to obtain an air contaminant permit for (Division identification number: 01-0009-18/74396) for construction of a coal ash landfill located at the same address. This proposed operation would consist of a new lined landfill, paved haul road, and associated equipment used to store coal fly ash. Wet suppression would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. E. King is the assigned Division person.

For the Anderson County “Oak Ridger”--publish once on or before Thursday, July 26, 2018.

The applicant is Bennett-May-Giles County Funeral Home, LLC with a mailing address of 1910 Elkton Pike, Pulaski, TN 38478. They seek to obtain an air contaminant permit (Division identification number 28-0148-01 / 974372) for construction of a Human Crematory Operation located at 1910 Elkton Pike, Pulaski, TN 38478. This proposed operation would consist of a crematory and associated equipment used to incinerate human remains. Natural gas would be used for fuel. An afterburner and secondary chamber temperature monitor would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Dolzen is the assigned Division person.

For the Giles County “Pulaski Citizen”, July 25, 2018

The applicant is BWI MTN II, Inc. - dba Blue Water Industries - (Smyrna Quarry) with a mailing address of P.O. Box 15005, Knoxville, TN 37901. They seek to obtain an air contaminant permit (Division identification number 75-0162-01 / 974303) for modification of their rock crushing operation located at 5441 Hickory Grove Road, Murfreesboro, TN 37129. This existing operation consists of crushers, screens, conveyors, and associated equipment used to produce crushed rocks. Wet Suppression system is used for pollution control. The requested modification is for the addition of a screen (ID. No. S3), two conveyors (ID. No. 39 and No. 40) and to increase the production rate. There would be physical construction. Regulated air contaminants emitted by this source would increase. Mr. Y. Aleali is the assigned Division person.

For the Rutherford County “Daily News Journal”, July 26, 2018.

The applicant is BWI MTN II, Inc. - dba Blue Water Industries - (Murfreesboro Quarry) with a mailing address of P.O. Box 15005, Knoxville, TN 37901. They seek to obtain an air contaminant permit (Division identification number 75-0022-01 / 974269) for modification of their rock crushing operation located at 2106 Twin Oak Drive, Murfreesboro, TN 37130. This existing operation consists of crushers, screens, conveyors, and associated equipment used to produce crushed rocks. Wet Suppression system is used for pollution control. The requested modification is to increase the production rate. There would be no physical construction. Regulated air contaminants emitted by this source would increase. Mr. Y. Aleali is the assigned Division person.

For the Rutherford County "*Daily News Journal*", July 26, 2018.

The applicant is TLC Mortuary Services, LLC with a mailing address of 2558 Highway 41 South, Greenbier, TN 37073. They seek to obtain an air contaminant permit (Division identification number 74-0484-01 / 974431) for construction of a Human Crematory Operation located at the same location. This proposed operation would consist of a crematory and associated equipment used to incinerate human remains. Natural gas would be used for fuel. An afterburner, secondary chamber temperature monitor, and opacity monitor would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Dolzen is the assigned Division person.

For the Robertson County "*Robertson County Times*", July 25, 2018.

The applicant is US Department of Energy - Oak Ridge Y-12 National Security Complex with a mailing address of PO Box 2009, MS 8239, Bldg. 9114, Oak Ridge, TN 37831. They seek to obtain a construction permit (Division identification number: 01-0020-102/74375) for construction of a metal purification process located at 301 Bear Creek Road, Oak Ridge, TN 37831. This proposed operation would consist of an electrochemical cell to refine the metal, salt vaporization furnaces to remove the residual electrolytes, thermal consolidation furnace to produce the metal product and a polishing step to remove surface impurities. Prefilters followed by high efficiency particulate air (HEPA) filters would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. H. Flores is the assigned Division person.

For the "The Oak Ridger"--publish once on or before Thursday, July 26, 2018.
